

Proposed AZMN National Camporama Itinerary
July 8-17, 2022

This plan does the following:

- Allows for two plus days of travel time to Eagle Rock
- Gets our group into Eagle Rock when the gates open
- Allows boys to participate in all four days of Camporama
- Lets our group go to Silver Dollar City, Bass Pro and Lambert's Café
- Allows for two days of travel home

Things this plan assumes:

- An advance team with a gear trailer brings our camp set up and tents/tables/awnings to camp a day or two early to allow the rest of the group to travel without having to wait for a slow trailer.
- Requires all attendees to drop off the gear mentioned above by Tues night, July 5th, to let the advance trailer leave on Wed, July 6th.
- We stay overnight in churches while traveling to minimize cost.
- Everyone attending pays a flat cost to cover travel, food, and fun.
- The group carries personal pack and sleeping bags to sleep over in churches.
- Meals while traveling are simple and provided so the group doesn't stop at restaurants and waste time. Rest stops will be used.
