Make sure you eat a meal before arriving at 7:00 pm on Friday, May 2nd. All items on the list of what to bring should be in a pack or bag that you can carry some distance. You are allowed to bring glasses (if needed), medicine and inhalers. If you have any special needs, please contact me! **We will accommodate any special needs.**

Bring the following additional things along:

- A copy of this letter
- Frontiersman Workbook

Failure to have the required items and be on time at the point indicated on the map on back will result in postponing the Frontier Adventure to next year. The Frontiersman Workbook is available on the National FCF Website (www.nationalfcf.com), and on the AZMN Royal Rangers website: www.azroyalrangers.com. Read it before arriving. If there are any notes you want to make or areas God is dealing with you about FCF, write them in the journal section of the workbook.

If you have any questions, please contact your sponsor or myself. I'm looking forward to sharing a campfire with you, partner!

In His Service,
